

Content and No Unauthorized Streaming Declaration

Official app content clarification for Google Play review

To: Google Play Review Team

Yacine TV LLC provides this declaration to clarify the content, purpose, and compliance position of the Android application identified below.

App name	Yacine TV - Live Scores
Package name	com.yacinetvllc.yacinetvapp
Developer / publisher	Yacine TV LLC
Official legal contact	legal@yacinetv.link
Official website	https://yacinetv.link

Permitted app functionality

- Football live scores, fixtures, schedules, match status, standings, statistics, and team information.
- Football news, predictions, quizzes, and fan engagement features.
- General sports information and editorial/user-facing features related to football matches.

Content restrictions and non-infringement statement

- The app does not provide unauthorized live TV streaming, IPTV channels, rebroadcasts, or copyrighted broadcast video content.
- The app does not claim to be affiliated with broadcasters, leagues, clubs, or third-party brands unless such affiliation is expressly stated and supported by proper authorization.
- The app store listing and in-app content should be reviewed to avoid terms such as "watch live TV", "free channels", "IPTV", "beIN", "DAZN", "Sky", "Canal", or similar third-party marks unless separately authorized.
- Yacine TV LLC intends for the app to operate as a football scores, information, news, predictions, and quiz application.

Official verification
